By consigning with us, you agree to sell your items at our store in exchange for a percentage of the selling price. Our cashiers record consigned items as they sell, and each month your account is credited for goods that have sold.

Consignment percentages:

For items that sell for under \$50.00, you receive 40%

\$50.00 to \$99.00 you receive 50%

\$100 and more, you receive 60%

Handmade items receive 60% as well

Occasionally we have advertised specials, and your items may be sold for an additional 10% less.

ABCs of Consignment:

Let us know ahead of time if you are bringing furniture or other large items, as we have limited space.

Please provide us with pictures prior to bringing in larger items.

Make an appointment by phone or in person.

All items must be CLEAN.

Consigned goods remain your property until they are sold. We are not responsible for lost, stolen or damaged goods.

We only inventory items over \$50.00, but we do carefully track your items as they sell.

Your account is updated for goods that have sold on the 5<sup>th</sup> of each month.

It is your responsibility to collect your consignment check at our store. We mail checks only by special request for people who are moving out of the area.

Your merchandise is priced to sell within one month. Unsold goods are subject to a 20% markdown after 4-6 weeks, and a 40% markdown is assessed between 6-8 weeks.

Generally we ask that you retrieve your unsold goods at the end of the last markdown period.

After one year, unclaimed consignment funds are absorbed by our store.
